## FEATURING

### Blake Hurst

Blake Hurst is the President of Missouri Farm Bureau & Affiliated Companies. He has served Farm Bureau in several capacities including Vice-President, District 1 Director and State YF&R Chairman. Blake and his wife, Julie, operate Hurst Greenery and raise no-till row crops on their family farm in Atchison County. Blake is also a freelance writer and author of the book, *Real Life*.

### Jerry Carroll

Spending 14 hours a day in a tractor cab gave Jerry plenty of time to think about his life's dream of entertaining people and making them laugh. Since beginning in 1993, Jerry has performed for crowds in venues ranging from local cattlemen's association banquets to the Ministers of Provincial Parliament in Toronto, Canada.

Jerry Carroll harvests a bumper crop of hilarity in his fast-paced, high-energy presentation. His entertaining and relatable topics about everyday life crack up the most hard-to-please crowds.

Jerry found humor growing up on his family's farm. From the time he could walk, Jerry joined his father and uncle to farm 130 acres of flue cured tobacco, 500 acres of corn, 500 acres of small grain, 500 acres of soybeans, 40 head of cattle, and 5,000 hogs per year.
