

KENT & JULIE KELLEY

We are Kent and Julie Kelley, the District 8 reps from Howell County. We have two great kids, Grant (9) and Ashley (7). Our 3rd generation family farm is located just outside West Plains and includes 80 cow/calf pairs and 100 head of hair sheep for weed control. We sell registered bulls and females off the farm. Kent is employed as MFA Fertilizer Plant Manager in Birchtree and Julie teaches second grade at Willow Springs Elementary. Our family is very active in our church, Farm Bureau, and 4-H. We love living on the farm and enjoy raising our kids with the values and responsibilities of farm life.
