

BRIAN & KELLY MARSHALL

We are Brian and Kelly Marshall, from District 1, and reside in Maysville. Brian works full-time on the family farm with his father. Together the two farm 3,500 acres of soybeans, corn, and most recently have added wheat to the rotation. Kelly is a homemaker, taking care of two children. Brett is 3 years old and Anna is 1. Marshall Farms enjoys collaborating with city dwelling homeschool families to provide rides in the semi, tractor, and combines. As a family, we are involved in our local church, a junior high church camp, and our county Farm Bureau.
